12. For this petition, state every ground on which you claim that you are being held in violation of the Constitution, laws, or treaties of the United States. Attach additional pages if you have more than four grounds. State the facts supporting each ground.

CAUTION: To proceed in the federal court, you must ordinarily first exhaust (use up) your available state-court remedies on each ground on which you request action by the federal court. Also, if you fail to set forth all the grounds in this petition, you may be barred from presenting additional grounds at a later date.

GROUND ONE:

I contend that there wasn't evidence sufficient to find guilt beyond a reasonable doubt to convict the defendant of Wisconsin Statute 940.02(2)(a) First Degree Reckless homicide..

(a) Supporting facts (Do not argue or cite law. Just state the specific facts that support your claim.):

The state courts decisions are contrary to clearly established Supreme Court law and an unreasonable application of clearly established federal law, based on an unreasonable determination of facts in the record pursuant to *Burrage v. United States*, 571 U.S. ,134 S. Ct. 881, 187 L. Ed. 2d 715(2014), The State charged me with delivering (heroin) a controlled substance which resulted in a death in violation of Wis. 940.02(2)(a). The states must prove every element beyond a reasonable doubt. Element #4 is the victim used said drug and died "as a result". The states only evidence towards causation was the testimony of the medical examiner who testified at trial that the victim could have lived with the level of heroin in the victims system at the time of death. The other medical expert was a forensic toxicologist who also testified that he has seen subjects alive with the same level of drug as reported in the victims system. Furthmore, testifying that this was a poly-substance overdose between three drugs and it is medically impossible to discern if the heroin was a substantial factor.
